RE: Web Developer

Dear Hiring Manager,

Recently, I learned of your company's opening for a new Web Developer/Designer and I am responding with hopes of being considered for this role. With a strong knowledge of your organization's mission and values, I am confident that my background and commitment will serve well in supporting company progress.

I strive to maintain accuracy and consistency in task completion, individual performance and team goal-achievement, using acute attention to detail. Additionally, I offer time-management, customer service and scheduling flexibility. My goal is to apply web development and layout design to support increased efficiency.

Please review my attached resume which provides additional details of my education and employment experience. I believe my management and programming abilities will provide an invaluable asset to your team. I would welcome the opportunity for an interview to further discuss the position and the ways in which I can positively impact the company's growth.

Thank you for your time and consideration.

Sincerely,
Brandon Ladouceur
